Subject: Settlement Discussions (Maine v Pruitt)

Dear Regional Administrator Dunn,

During our conference call on June 27, 2018, you indicated that EPA seeks to maintain an open line of communication with the Houlton Band of Maliseet Indians and the Penobscot Nation regarding settlement discussions with the State of Maine in *Maine v. Pruitt*. You also invited the Tribes to identify issues of importance in connection with any settlement, and you indicated that EPA would bring this input from the Tribes to the negotiation table. Please find attached the position of the Houlton Band of Maliseet Indians regarding the necessary elements of any settlement. We look forward to regular updates on the status of negotiations and to providing further input as the process develops. Please don't hesitate to reach out with any questions.

Best,
Cory Albright
